YOUR CONNECTIONS

Munich — TRAIN — Mittenwald — WALK — Valley station — CABLE CAR — 2,244 m

1 Munich → Mittenwald → valley station

My train: 09:26 · about 2 h · valley station 11:55

Use a Deutschland-Ticket or Bayern-Ticket for the regional train. Walk to the cable car and buy the return ticket; leave time for queues.

2 Ride up to 2,244 m

About 10 min · I reached the top terrace at 12:38

Enjoy the first view before setting off. The nature exhibition and the short tunnel towards Dammkar are near the upper station.

3 Panorama loop & optional summit

Passamani loop: about 1 h walking · allow 2 h+ with stops

The summit spur to Westliche Karwendelspitze (2,385 m) has a wire-secured rocky section. It is optional; the Mittenwalder via ferrata is a separate route.

4 Lunch at Karwendelbräu

My lunch stop: 14:45

Obazda and a Helles at the mountain restaurant. I walk fast: give yourself more time for the loop, photos and a relaxed lunch.

5 Ride down, then explore Mittenwald

Left the restaurant 15:12 · back in town 16:00

Leave a buffer for the descent queue. Wander past the painted facades and church; add the violin museum if time and opening hours allow.

6 Mittenwald → Munich

My return train: 17:36 · Munich around 19:30

Pick up drinks before heading to the station. My day lasted about 10 hours; check your actual return connection before you go.

Train and cable-car tickets are separate. Adult cable-car return: €42.90; refundable keycard deposit €5. Deutschland-Ticket / Bayern-Ticket do not include the gondola. Bayern-Ticket starts at 09:00 on weekdays, from midnight on weekends/holidays.

Haki tip — check the ticket type. The machine's English was incomplete when I visited. Make sure you choose return; bring a physical card and remember its PIN.

My day: 4 September 2026 · Times from the article and earlier itinerary; not current departures.
Price checked 9 Oct 2026. Check the webcam, trail conditions and last descent.
